Purpose of Burn _____ Type of Material to Be Burned _____

Quantity of Material to Be Burned (acres or cubic yards) _____

Date Application Received _____ Reviewed By _____

PERMIT CONDITIONS

1. **Do not burn inside the urban growth areas** of Selah, Yakima, Union Gap, Toppenish, Grandview, Sunnyside, Tieton, Naches, Moxee, Granger, Zillah, or Mabton.
2. **Do not burn** or add fuel during any stage of an air pollution episode or local air quality burn ban.
3. **For each day of burning, prior to burning**, call 834-2050 and speak to the outdoor burning Program Manager to determine the quantity of material allowed to be burned for that day.
4. **Burn only during daylight hours** (do not start burning later than two hours before sunset).
5. **Burn when the wind takes smoke away** from roads, homes, population centers, or other public areas, to the greatest extent possible.
6. **Allow woody material to dry** no less than 90 days if removed from the ground between October 15th and March 15th and 30 days if removed from the ground between March 15th and October 15th.
7. **Arrange piles** to promote efficient burning as the material in the center is burned.
8. **When accelerating a fire** use only propane or other gaseous fuel (do not use diesel or other liquid fuel).
9. **Maintain piles** to allow maximum turbulence from **air movement to ensure as hot a fire as possible**.
10. **Attend the fire** at all times (with the capability to extinguish) and manage the fire to minimize the smoke.
11. **Burn only natural vegetation**. Do not burn garbage, animals, asphalt, petroleum products, paints, rubber products, plastics, paper (other than what is necessary to start a fire), cardboard, treated wood, construction debris, or metal.
12. **Comply with all fire safety regulations**. Do not burn during adverse weather conditions (such as high winds or extremely dry conditions, and high temperatures or in close proximity to structures).
13. **Burning on easements** - you must get permission from proper authorities before burning on easements.
14. **Call fire dispatch** when your burn will emit a prominent column of smoke. (Upper County: 509-248-2103, Lower County: 509-865-4202)
15. **Extinguish the fire** it creates a nuisance and/or a health or safety hazard.
16. **Other Conditions:**

Affidavit: I, the undersigned, have read, understand and accept the responsibility to comply with all the conditions. Failure to comply with all conditions specified above is a violation, subject to penalty. I agree that YRCAA may enter my property for inspection of compliance with permit conditions.
